

# “TRANSFORMING THE SHADOWS”

## The Irish National Counselling Service 10th Anniversary Conference

**Date:** Tuesday 14th September 2010, 9.30 am to 5.00 pm

**Venue:** Dublin Castle

**Speakers:** Sir Richard Bowlby, Dr Felicity de Zulueta

The day will include a wide range of clinical presentations by Counsellor/Therapists working in the NCS from around the country. The conference will provide a unique opportunity to share in the professional knowledge and expertise accrued in the NCS over the last ten years and will also include a service user perspective.

The overarching theme of the conference is to promote a message of hope by highlighting the transformative role that counselling and psychotherapy can bring to the lives of individuals who have been impacted by traumatic experiences in childhood.

The conference will be of interest to Psychologists, Counsellors and Psychotherapists, Social Workers, General Practitioners, Mental Health Professionals and those involved in Child Protection Work. This event has been approved for CPD credits for members of the PSI.

(Certificates of attendance in respect of CPD requirements will be available to conference delegates).
